

*...another idea from Datamation Systems*

## **SNAP-IT MAX (MXS) NOTEBOOK SECURITY CABLE**

Model# DS-SNAP-IT-MXS

Dell SKU# A1277092

*More secure and easier to use!*

Shown on Dell Latitude 6500

- \* Snap-It Max (MXS) screw-on hub design uses existing mounting screw on the back of the laptop
- \* One time installation; compact hub remains on the laptop, providing a convenient highly secure anchor point
- \* Locks without a key
- \* Can be used on the following Dell™ Latitude™ laptops: 420, 430, 620, 630, 820, 830, 531, ATG, ATG 630, E5400/5500/6400/6500, Precision™ M4300 and M65
- \* Locks your laptop in a second – just “Snap-It”
- \* Includes captured screw and screwdriver for easy, one time installation; nylon pouch for travel
- \* Six foot long, vinyl covered braided steel cable with loop
- \* Locks can be keyed-differently or master-keyed
- \* Lifetime warranty
