

# Security Carts for iPad™

Model # DS-NETVAULT-IP-20

Dell SKU # A7208337

Model # DS-NETVAULT-IP-40

Dell SKU # A6877847

- ◆ Secures, stores and recharges 20 or 40 iPads in a very efficient footprint
- ◆ Innovative two-point locking system: far more secure than conventional padlocks
- ◆ Equipped with outlets for recharging batteries and powering peripherals
- ◆ ETL listed for safety
- ◆ Cord wrap brackets for safety and convenience
- ◆ Four 5" medical grade wheels (swiveling and locking)
- ◆ Dividers are removable and adjustable at ¼" increments

- ◆ Easy set up with innovative wire management features
- ◆ Ergonomically angled push handle
- ◆ Also works with other eBook readers such as the Amazon Kindle™, Barnes & Noble Nook™ and Sony Reader™, as well as many tablet PCs
- ◆ Recharges only; does *not* sync iPads to iTunes™
- ◆ Dimensions: 24"D x 20"W x 35" H
- ◆ Weight: 120 pounds

iPads used in cases vary in thickness, which will affect the cart's capacity. If a customer tells us the thickness of the iPad housed in the case they are using (or if they send us a sample of the case), we can provide an estimate of the cart capacity, which may vary from 15-30 units.

\*iPads not included
