

# Universal Security Cable Kit

Secures any Dell™ CPU\*, monitor, internal components,  
mouse and keyboard

**Model # DS-6-SCK-D1-MX**

**Dell SKU # A6877871**

Special flat panel monitor anti-theft brackets slide easily into vent slots on back of monitor.

Steel cable trap captures and secures Dell CPU, internal components, mouse and keyboard cables.

## Kit includes:

One 6ft, 1/4" thick galvanized steel aircraft cable vinyl-coated to 5/16" total diameter, 40mm laminated steel padlock with hardened steel double-locking shackle and locking washer, glue-on fasteners (one round & one rectangular), cable & housing trap, monitor fastening brackets, industrial super-glue and prep kit.

Universal security cable kit includes large standard padlock available with keyed-alike, keyed-different or master key options.
