

# Locking Post for Flat Panel Display Carts

**Model #DS-DISPLAY-CRT-LP**

**Dell SKU #A9440260**

***This maximum security steel locking post and ring system attaches to Datamation motorized flat panel carts***

- Secures valuable large flat panel displays
- Locks cart when rolled into position. No key needed to engage lock, only to unlock. Slam lock technology is similar to that used in a car door.
- Easily released from wall-mounted post with a simple turn of the key
- Easy and quick installation
- Wall mounted locking post and ring included
